

2016-2017

Disbursement Dates

Loans disbursement dates are based on the length of each program's enrollment period.

Federal regulations require that all federal funds be divided into equal payments. Dates only apply to students who have completed their financial aid and registration requirements as requested by the designated offices.

For those students that have a "HOLD" on their student accounts your funds will not be disbursed to you on your scheduled date. Funds will be disbursed within 2 working days after your "HOLD has been cleared.
